

Allow me to thank you for being such a loyal and consistent customer to Leave Your Mark over the years. Your satisfaction is very important to us, and we hope we have been successful in providing you with excellent customer service and products.

Due to an increase in the cost of raw goods and inventory management, we are going to be leveling our prices on pavers and plaques. We will be eliminating the 3 Tier price system and going with a flat rate on all our products. This will take effect beginning January 1st 2018. This of course will affect only the customers that have not had a price increase or have been set at Tier 2 and 3 pricing which will actually lower your cost.

This price adjustment is minimal, and something we must do in order to continue to provide you with the quality you've come to expect. If you have any questions or concerns please don't hesitate to contact me immediately.

Thank you,

Don Shepherd
